KELLOGGSVILLE ROCKETEER

Kelloggsville Staff Retirees Join For Annual Luncheon

The annual retiree luncheon was put together by the Retiree committee, led by Bob Stewart. Special guests alumni Patty Ayuso '76, Larry Krzykwa '92, Joe Anzaldua '82, and Scott Halpin shared their stories of then and now. It was a big turnout and a great opportunity for everyone to see each other again.

Kelloggsville High School Students Participated in Women in Construction Event

KHS brought 12 female students to the West Michigan Construction Institute for their Women in Construction event. The students gained hands-on experience in woodworking, electrical, plumbing, and city planning. They brought home their handmade projects, as well as a variety of tools. It was an awesome experience for these students to learn about potential careers in the construction field!

West Kelloggsville Elementary

Students of the Month at West Kelloggsville had lunch with West Principal, Eric Schilthuis. Students must have perfect attendance for the month (including no AM or PM tardies), have no discipline reports, and they must SOAR in the classroom to be Student of the Month.

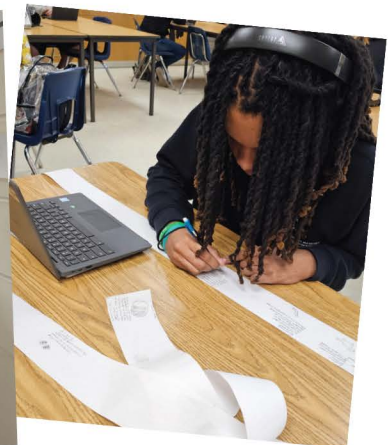

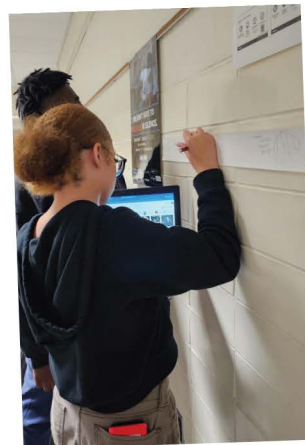

Kelloggsville Virtual School

Kelloggsville Virtual School is proudly educating over 70 students in grades 6-12. KVS students are more engaged than ever this year with in-person opportunities such as first week orientations, testing, spirit week, field trips to the college fairs and more!

54th Street Academy

In Earth Science, students created 15 ft timelines of Earth's geologic history. Stretching from the Earth's formation to the present, students marked important times in the history of our planet. Students worked hard to create a complete timeline with dates, descriptions, and illustrations to better understand how long our planet has been around.

Learn How to Build Nutritious Meals

Creating nutritious and delicious meals at home doesn't need to be complicated! Let's show you how to build a healthy meal in just a few easy steps.

1. Fill 1/4 of your plate with a good source of lean protein. Try to incorporate vegetarian options at least 1-2 times a week.
2. Fill 1/4 of your plate with carbs or starchy vegetables. Whole grains should be used the majority of the time!
3. Add around 2 tbsp of a source of healthy fats. Choose options low in saturated and trans fat.
4. Fill the rest of the plate with fresh produce like fruits and veggies! Check what is in season.

LET'S BUILD A NUTRITIOUS MEAL!

CHOOSE AT LEAST ONE FROM EACH CATEGORY BELOW

PROTEIN:

- Chicken
- Turkey
- Eggs
- Fish
- Tofu
- Beans
- Lentils
- Lean beef

FAT:

- Avocado
- Olive oil
- Dairy
- Nuts + nut butter

CARBS:

- Whole grains
- Brown rice
- Potatoes
- Quinoa
- Whole wheat pasta
- Squash
- Sweet potato
- Whole grain bread
- Corn tortilla

PRODUCE:

- Broccoli
- Asparagus
- Carrots
- Cucumber
- Cauliflower
- Berries
- Banana
- Apples
- Grapes
- Oranges

School News Network

School News Network is community journalism at work, funded through the donations of our sponsors and member school districts and developed by Kent ISD. Kelloggsville stories can be found at:

Kelloggsville Middle School

New Restorative Justice Facilitator at KMS

KMS is excited to welcome Ellen Stroo, a conflict resolution facilitator from the Dispute Resolution Center of West MI. Mrs. Stroo will work with students and staff to respond to conflicts in a positive manner by performing restorative justice circles. The conferences with students and the circles with groups of students will be used to try to help resolve conflicts and reduce disciplinary consequences.

Kelloggsville Athletics

Find Athletic News & Updates at:  @kvilleathletics  @kville_athletics  kvilleathletics.org

Athletic Spectator Information

- ALL Middle School and Elementary school students must be accompanied by a parent.
- ALL 9th-12th grade students (KHS, KVS, and 54th Street Academy) must show their school ID.
- Students from a school not competing must be accompanied by an adult.

All regular season ticket sales are cash only.
All MHSAA District Event tickets must be purchased at gofan.co.

Kelloggsville High School

The Spanish department at the high school discussed Hispanic Heritage Month and different ways people celebrate the month-long celebration. In class, students decorated individual wings with the flags of each Spanish speaking country. The students then put them all together to make a full set of wings. This was to symbolize that you can soar and to embrace your culture.

Central Kelloggsville Elementary

During the volleyball season, members of the Kelloggsville High School Varsity Volleyball team visited the third graders at Central KV. While visiting the students, the Varsity Volleyball players took time to meet with the third graders in smaller groups and read with the students. Building relationships between students across buildings is an added advantage in Kelloggsville!

Southeast Kelloggsville Elementary

Physical Education classes at Southeast Kelloggsville Elementary School are staying active and busy to start the school year! Pictured is Miss Berlanga's class playing with the parachute. Students are taught non-locomotor skills as they move with the parachute. Some examples are learning left and right directions, small and large movements, as well as high and low actions. Students then learn games such as Inflation, the Fly Away, the Mushroom, the Igloo, the Merry-go-round, and more. Parents can ask their Young 5 through 2nd grade child which skill or game they enjoyed the most!

Central Kelloggsville Elementary

5th grade Social Emotional Learning and PE classes at Central have been focusing on teamwork and sportsmanship. Students were challenged to put a puzzle together as a team with one person wearing a blind fold and that is the only person that can touch the puzzle pieces. Students thought of creative ways to communicate and maneuver puzzle pieces in ways they never had to before.

Kelloggsville Technology Department

Have you signed up for your ParentVUE account?

First, you will get to this page by going to kvilleps.org and clicking Synergy at the top of the site.

You will then click "I am a Parent." If you are using the ParentVUE app, please enter 49548, Select Kelloggsville, and then choose "Yes." From here, you will need to select "Activate Account."

Please read through the Privacy Statement and choose "I Accept" if you wish to continue setting up your account. Please enter your first and last name as it has been typed on the activation letter you received from your student's school. The activation key will also be listed on your student's letter. This information is how your parent account is connected to your student's account. If you have multiple students in the district, you only have to create one ParentVUE account. All Kelloggsville students should populate on your account. If not, please submit a tech ticket so we can fix that for you.

The next step will be to create a unique username and password. We do suggest writing this down somewhere safe. The e-mail address entered will be shared with the school and is how teachers and staff will communicate with you and send important information home.

Your ParentVUE account has been created! Here, you will find your student's information, and if you have multiple students, you can choose which student you would like to view.

**WE ARE
HIRING!**

TRANSPORTATION

FOOD SERVICE UTILITY

Multiple positions currently available!

We are committed to hiring talented employees to enhance the district's stance and focus on equity and inclusion for all students, employees, & community members of Kelloggsville.

If you are interested, here's how to apply!

Please apply online through AppliTrack <https://www.applitrack.com/kent/onlineapp> or paper applications are available at the Administration Office during regular business hours.

APPLY NOW!

Kelloggsville Community

What is The Dock? Their vision is to impact the youth of the broader Kelloggsville community to excel in their character, faith, intellect, and ability. They hold many after-school programs for Kelloggsville students across from KHS & KMS.

They offer many programs, such as:
Cadets-A meeting-based program designed to promote leadership and community projects while focusing on faith and character traits.
Code On Wheels "COW Club- Students learn about computer coding languages such as HTML, CSS, and Java with the help of Kelloggsville teachers!
