

Kelloggsville Public Schools

Instructional Options

Fall 2020

Option #1- In School Instruction

This will be normal classroom instruction with the following safety protocols in effect:

Facial Coverings

- Required for all staff
- Required for all students.
- Required for all students while on the school bus

Hygiene

- Increased focus on healthy hygiene behaviors
- Scheduled hand-washing breaks with soap and water

Spacing, Movement and Access

- Student desks spaced as far apart as possible in the classroom
- All desks facing the same direction
- Temperature checks for all students upon arrival to school.

Breakfast and Lunch

- K-5 students eat breakfast and lunch in the classroom
- 6-12 students eat lunch in cafeteria with increased distance between students.

Option #2- Online Instruction

- Students in grades 3-12 will receive online instruction through the Odysseyware platform. Kelloggsville teachers will monitor and assist students as they complete work.
- Students in grades K-2 will receive online instruction from Kelloggsville teachers using the Accelerate Education as the learning platform.
- Attendance will be monitored on a daily basis by student login and work completion.
- Students may be required to take assessments at school
- Students that select the online option must remain online until the start of the next marking period
- K.P.S. will provide students with Chromebooks
- K.P.S. will assist families that need high speed internet
- Parents must select the online option by August 14.
