INTRODUCTION OF MATTERS BY BOARD MEMBERS

- Ms. Sellers – nothing;
- Mrs. Tanis – shared that she is pleased that the beginning of the school year seems to have settled into a groove and is encouraged to see that students are returning to in-seat instruction;
- Mrs. Groters – enjoyed watching the livestream of last Friday’s football game, adding that it was nice to see the interaction with online spectators on the various social media platforms;
- Mr. Marihugh – inquired about a tree at the corner of Harp/48th Street that is causing an obstructed view for both pedestrians and drivers. Mr. Wright will have the maintenance department take a look at it. He then asked what the district’s next goal is, now that we have successfully made it to the end of September. Mr. Wright said that the end of the first marking period is the District’s next goal - October 16th and at that time, he and the administration team will look at loosening up a few of the items currently not available, such as use of gyms, etc., while still following all required social distancing guidelines. Mr. Marihugh also asked about the possibility of hosting a district flu shot clinic. Mr. Alcorn and the school nurse, Ms. Hand, will look into what possible options are available;
- Mrs. Reidzans – inquired on the latest recommendations by Dr. Fauci in regards to flu shots, etc. She also referenced that students have received their report cards and inquired if the Board could receive a report on their status;
- Mrs. Ward – encouraged fellow board members to sign up for the KIASB virtual meeting and MASB’s virtual Annual Leadership Conference. She also inquired on the status of the air purifiers and sound systems. Mr. Wright stated that the air purifiers are in place and being used, a survey will go out on how many staff at the elementary buildings would like one. As for the portable sound systems, they have been ordered but not yet received. She also thanked everyone for their hard work;
