INFORMATION

Central Move: We are anticipating the move to Central Kelloggsville Elementary School to be Monday, October 25th. We are so excited, especially, as we have been watching the building get its finishing touches. As you know, moving brings stress and anxiety. We are planning to have a smooth transition, as we literally move in across the parking lot.

Sub Sale Pick Up: We are in need of parent volunteers to help pack up the sub sales and get them ready for pick up on Thursday, October 21st at 2pm. Please contact the office, if you are available.

Volleyball Intramural: Once we get into Central Elementary, we will have signups for 3rd -6th grade volleyball intramurals. Look for more information to follow.

Monthly SOAR Reward for October: Trunk or Treat in the parking lot of Central Elementary. We will have Halloween music playing and staff trunks decorated and filled with candy for the students

to Trick or Treat. This activity will happen during the school day.

STRIVE FOR 5 – No more than 5 absences

1. Be on time, every day.
2. Set appointments before, or after, school.
3. Plan vacations when school is out.
4. Build backup plans, or a buddy system, to get students to and from school.

Parent Teacher Conferences: Please look for information coming home on how to sign-up for conferences. We will be using a sign up application called *SignUpGenius*.

Parent Pickup and Drop Off: Thank you for your patience with dropping off, and picking up, your student at Central Kelloggsville Elementary. We have a small parking lot with only 2 ways in and out. **The safety of our students is our #1 Priority!**

KEDS Program: This after school program will start Tuesday, Nov. 2nd. Watch for more information coming home.

Bible Club: Has started after school on Mondays every week from 3:35 – 5:00pm. If you would like more information, please call the school.

Lost and Found: The lost and found pile is growing. If your child is missing something, please have them stop by the lost and found rack outside the office.

Thank you for volunteering to chaperone our field trip. Educational opportunities enrich our students' learning and reinforce lessons taught in the classroom. Our students would not be able to participate in these experiences without the help of volunteers like you.
