

Dear Community,

We hope that summer is going well and you are enjoying some sun and good weather. We wanted to take a moment and share with you some changes to our school start and end times starting this upcoming school year. We are moving our start and end times up by 20 minutes for all elementary and secondary schools. We know this is a change and different than what you are used to, but these changes help Kelloggsville align our building times with other schools in Kent County. Below you will find the start and end times and other information that will be in effect for the 2024-25 school year.

Elementary Schools

Start Time 8:25

End Time 3:15

Secondary Schools

Start Time 7:40

End Time 2:40

First day of school for the 2024-25 school year for students is going to be August 20th, 2024.

Thank you for your support and understanding with these changes as we want to make sure you have time to plan accordingly. **Please make sure to attend our Rocket Registration event happening on July 31st from 8:00am-12:00pm and August 1st from 3:00pm-7:00pm.**

Jim Alston

A handwritten signature in black ink that reads "James Alston".

Superintendent, Kelloggsville Public Schools
