## Summer School

Summer school will be offered this summer to help students earn back credit due to failed semester core classes. KMS Summer School will be by invitation only, so students who are required to attend will have a letter sent home before the end of the school year. Identified students must attend all classes, complete all work and follow the classroom rules in order to earn credit for a core class. Information about dates will be coming soon.

## Summer Camps

Many local colleges, universities and other organizations offer summer camps for students. There are many opportunities for students to have fun and learn more about their interests through these camps. If you or your student is interested in more information, contact Laura Kuperus in the counseling office.

## Kelloggsville Education Foundation

The Kelloggsville Education Foundation is sponsoring a golf outing fundraiser on Friday, June 9th at 9am at Briarwood Golf Course. The cost is \$65 per person which includes 18 holes of golf with cart, lunch and prizes. Please call the main office for more details.

## Student Council News

On Tuesday, April 11, the KMS Student Council students visited Fredrick Meijer Garden! They saw the Butterflies in Bloom exhibit, marveled at "The American Horse" statue, took a stroll through the statue park, explored the coy pond and the Japanese Gardens, and navigated through the maze in the Kid Zone area! Fun was had by all!

KMS students are able to apply each semester for Student Council. These students help with charity fundraisers, spirit weeks, various school projects, and community outreach after school twice per week. They are held to a high standard and are true leaders of KMS! Our first annual Student Council Banquet will be held on Thursday, May 4 from 5:00-6:00.

During the month of March, KMS Student Council students fundraised \$500 for Stand Up To Cancer, a national organization that donates 100% of its proceeds to cancer research. Students sold raffle tickets during lunches for students to have the opportunity to pie a staff member in the face! At the Rewards Assembly on Thursday, March 30, Mr. Ruby, Mr. Banks, Mr. Padilla, Mrs. Lanser, and Mr. Morrow were all pied in the face by students who donated to the cause. The following students were randomly selected to pie a staff member in the face: Keiley Juarez, Brayden Henry, Lyla Rubio-Salgado, Cameron Clark, and Addison Torres. Thank you to all who contributed to this awesome cause!
