Dear Community,

Shortly after midnight on April 19th, administration received a phone call from our security company that there was a fire on school property on 52nd St. When school personnel arrived on the scene, a portion of our bus garage was on fire that housed six of our buses. That particular garage and everything in it was a complete loss, but fortunately nobody was injured by the fire. We are working with the Kentwood Fire Department to determine the cause of the fire, but it is too early to determine right now.

Although we lost six of our buses, we will continue with school and events as normal starting on Monday, April 22nd. We will be borrowing a few buses from Kentwood Public Schools and/or Dean Transportation to get us through the rest of this school year. Please let your student(s) know that their bus may have a different name on it for the rest of the school year. We appreciate your support as we work to replace and rebuild what was lost.

A special thank you to the Kentwood Fire Department for their quick response and help with putting the fire out in a timely manner. We also appreciate the assistance of Kentwood Public Schools and Dean Transportation for helping us out in our time of need.
