

## Kelloggsville Middle School Goals and Activities 2022-23

1. **Reading Goal:** 50% of all Kelloggsville Middle School students will meet or exceed their projected growth on the Reading NWEA assessment for Fall 2022 to Spring 2023.  
(Currently at 42%)
  - a. Activity: Implementation of new ELA curriculum with high-level instruction.
  - b. Activity: Implementation of common reading strategies across content areas, i.e. Close Reading w/Annotations.
  - c. Activity: Students will be exposed to grade-level content.
  - d. Activity: KMS Departments will collect data that can be used to drive day-to-day instruction, in order to align teaching and learning with areas that need improvement.
2. **Math Goal:** 50% of all Kelloggsville Middle School students will meet or exceed their projected growth on the Math NWEA assessment for Fall 2022 to Spring 2023. (Currently at 24%)
  - a. Activity: Students will take the NWEA K-12 Math test to allow for continuous data collection throughout their time at KMS.
  - b. Activity: Students will be exposed to grade-level content.
  - c. Activity: Use of ALEKS Math Program to gain diagnostic data per grade level.
  - d. Activity: KMS Departments will collect data that can be used to drive day-to-day instruction, in order to align teaching and learning with areas that need improvement.
3. **Whole Child Goal (SEL):** Kelloggsville Middle School will reduce the number of suspensions due to behavior.
  - a. CHAMPS in the classroom
    - i. In-house training for staff unfamiliar with CHAMPS

- ii. Refresher training for staff who have been trained, but want to remain current.
- b. PSC- implemented with fidelity and additional components:
  - i. Social and Emotional Learning (SEL)
    - 1. Continue to present Second Step Curriculum in a classroom setting
    - 2. The Counseling Office will promote the program, be nice!
  - ii. Restorative Practices are used frequently and effectively at KMS.
    - 1. Restorative Circles
    - 2. Implementing Restorative language into handbook, rubric, etc.
