

## Kelloggsville Virtual Goals and Activities 2022-2023

1. **Reading Goal:** 50% of all K-12 Kelloggsville students that attend KVS will meet or exceed their projected growth on the Reading NWEA assessment for Fall 2022 to Spring 2023. (Currently at 38%)
  - a. Activity: All K-12 students will be required to attend in person to take the NWEA so that data is consistent and valid. This data will be used to form intervention groups.
  - b. Activity: All K-12 students will be assessed through course pre-tests (6-12) or readiness tests (K-5). Data will be collected and used to drive daily instruction.
  - c. Activity: All K-8 students will be scheduled in an Intervention time daily. The delivery varies per grade level but will include targeted small group instruction with students of similar abilities.
2. **Math Goal:** 50% of all K-12 Kelloggsville students that attend KVS will meet or exceed their projected growth on the Math NWEA assessment for Fall 2022 to Spring 2023. (Currently at 22%)
  - a. Activity: All K-12 students will be required to attend in person to take the NWEA so that data is consistent and valid. Data will be collected and used to form intervention groups.
  - b. Activity: All K-12 students will be assessed through course pre-tests (6-12) or readiness tests (K-5). Data will be collected and used to drive daily instruction.
  - c. Activity: All K-8 students will be scheduled in an Intervention time daily. The delivery varies per grade level but will include targeted small group instruction with students of similar abilities. Use of weekly Khan Academy time and Khan kids.
3. **Whole Child Goal (SEL):** All K-12 Kelloggsville students that attend KVS will increase their score on the universal screener on Social Emotional Learning from Fall 2022 to Spring 2023.
  - a. Activity: All K-12 students will be assigned a specific time each day to engage in social interactions and learn how to identify and apply social skills (K-5=SOAR, 6-12=PRIDE)
  - b. Activity: All K-8 students will complete a universal screener developed by Kelloggsville Public Schools in the Fall of 2022 and again in the Spring of 2023. This screener will identify student areas of need pertaining to social and emotional growth.
  - c. Activity: All K-8 students will be assigned a Social Emotional Learning time to engage in lessons from the Second Step programming.
